9/1/10 WORKERS' COMPENSATION RATE CHANGE

The Massachusetts Commissioner of Insurance has approved a Stipulation for the general revision of workers' compensation rates, effective 12:01 A.M., September 1, 2010. The rate change will affect new and renewal policies with an anniversary rating date of September 1, 2010 and after. The anniversary rating date is commonly the effective date of the policy but can be different if a policy is canceled and rewritten or if there are multiple policies.

Average Rate Decrease

The rate change includes an overall average decrease of 2.4% in the existing workers' compensation average rates. The change in average rates by industry group is an increase of 7.6% for manufacturing, a decrease of 3.0% for construction, a decrease of 16.3% for office and clerical, a decrease of 4.1% for goods and services and an increase of 6.9% for miscellaneous. The changes by class, even within the same industry group, vary substantially.

The average rate decrease does not take into consideration the overall average increase of 20.0% in the existing workers' compensation F-class rates nor the decrease in the U.S. Longshore and Harbor Workers' Compensation Act (USL&H) percentage from 39.2% to 32.0%

Change in Manual Rates

Following is a list of the more common classifications we work with and the new manual rates per \$100 of payroll. The rates for all Massachusetts classes can be found at www.wcribma.org, the web site of the Workers' Compensation Rating and Inspection Bureau of Massachusetts on their [Class Code Lookup](#) page and/or on the [Rates and Rating Values](#) page. The manual rates by industry group

increased 7.2% for manufacturing, decreased 1.5% for construction, decreased 15.0% for office and clerical, decreased 4.3% for goods and services and increased 6.6% for miscellaneous. Again, the changes by class, even within the same industry group, vary substantially.

Experience Rating Plan Changes

The Experience Rating Plan Expected Loss Rates and D-Ratios, have also changed. These rates and ratios are used in calculating experience rating factors (experience mod. and ARAP) and are a significant component in determining the final rates for an experience rated risk. A risk is eligible for experience rating when the payrolls or other exposures

developed in the last year or last two years of the experience period produced a premium of at least \$11,000. If more than two years, an average annual premium of at least \$5,500 is required.

Experience mods and ARAPs already issued effective 9/1/10 or after on a preliminary basis will be recalculated to reflect the new Expected Loss Rates.

Small Deductible Credits

The premium credits applicable to the election of small deductibles under either the Massachusetts Benefits Deductible Program of the Massachusetts Benefits Claim and Aggregate Deductible Program have been revised. The deductible credits will be:

Benefits Deductible Coverage Program

Deductible Amount	Credit
\$500	1.9%
\$1,000	3.1%
\$2,000	4.7%
\$2,500	5.3%
\$5,000	7.8%

Benefits Claim and Aggregate Deductible Program

Under this program, a per claim deductible of \$2,500 applies subject to an aggregate of

\$10,000. For policies with an estimated annual standard premium over \$200,000, the aggregate is 5% of the estimated annual standard premium.

Estimated Annual Standard Premium	Credit
\$0 to \$75,000	5.2%
\$75,001 to \$100,000	5.2%
\$100,001 to \$125,000	5.1%
\$125,001 to \$150,000	5.0%
\$150,001 to \$200,000	4.8%
over \$200,000	4.6%

Other Factors

There were changes to the Retrospective Rate Plan and the Disease Elements Table. For details, see the Bureau’s web site at www.wcribma.org. There were no changes in the following:

- Expense Constant
- Loss Constant
- Admiralty Law and Federal Employers’ Liability Act classifications
- Merit Rating Program
- Premium Discount Tables A and B
- Take-Out Credit
- Qualified Loss Management Program [QLMP]
- Weights and Ballasts Tables

It is important to remember this rate change will affect each insured differently and the premium changes will vary. Please consult with your account handler to review how this change will affect you.
